2. The following is an examiner's statement of reasons for allowance:

Applicant's claims state the transitional phrase "consisting of" when referencing the dielectric fluid. The prior art of record teach dielectric fluids comprising additional components or ingredients, which are now excluded by the claimed invention. Accordingly, the claims are allowable over the art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
